

FIPP helps families help their young children learn and grow.

- ✓ Early childhood and family support practices tailored to each family's life circumstances
- ✓ Practices based on the most current research available
- ✓ Nationally and internationally recognized program
- ✓ Focus on child, parent, and family strengths
- ✓ Services provided free at times and locations convenient to families

FIPP is a community-based program of the J. Iverson Riddle Developmental Center, Morganton, NC.

Family, Infant and Preschool Program

Free Home-Based Medical Follow-Up!

The Family, Infant and Preschool Program in collaboration with area hospitals supports all children and their families who have been recently discharged from the neonatal and newborn nurseries to ensure a smooth transition to home.

FIPP Newborn Supports

"We were very happy with all the contact we had with FIPP and very pleased with all the services... If it had not been for information from FIPP, we would have been lost."

"FIPP has been a life-changing experience for me.... I was equipped by the time I left with excellent parenting strategies that really worked with my child."

Ninety-five (95) percent of parents report that FIPP staff are knowledgeable and helpful about child development and parenting.

Families look to FIPP for:
